Presents an Educational Seminar:

2018 Amendments to the Contractor and Subcontractor Payment Act

On June 12, 2018 Governor Wolf signed legislation amending the Contractor and Subcontractor Payment Act. **The revised statute goes into effect October 10, 2018. It provides new rights and obligations for contractors and subcontractors in recovering (and disbursing) payments on construction projects.** Attorney Jeffrey Bright presents this 1 hour educational seminar and Q&A to assist construction companies on the nuances of this important revision to the Act.

Bright Law Firm is a boutique firm serving the construction industry. Attorney Bright is licensed in PA and MD and focuses his practice on advising contractors and subcontractors in legal matters arising from construction projects.
